Rohini sec-4 ,delhi

Profile

Results-driven frontend Web developer with expertise in ReactJS, skilled in crafting visually appealing and user-friendly websites. Proven ability to collaborate effectively within cross-functional teams to deliver high quality projects

Professional Experience

Frontend Web developer

Misemind Pvt Ltd

2023/10 – present
Pitampura, Delhi, India

- Contributed to live projects using React, collaborating with an experienced development team.
- Gained hands-on experience with CI/CD pipelines, Jenkins builds, and GitHub for code management in large-scale projects.
- Actively participated in sprint planning, ticket management, and team coordination to ensure project success.

Frontend Web developer (Intern)

Indian Robotics Solution

2023/03 – 2023/07
Noida, India

- As a frontend Web developer Intern I had the opportunity to enhance my skills in the frontend development of websites while working collaboratively with a team.

Web developer (Intern)

Softmind Infotech Pvt Ltd

2022/11 – 2023/02
Noida, India

- During my three months internship I focused on honing my proficiency in HTML, CSS, JavaScript and ReactJS and I made significant progress in each of these areas.
